Travel Community Lijiang tour 6th April to 13th April

A group of 16 members joined this 8-day tour to Lijiang. They experienced the local culture while exploring the streets of ancient towns of Shuhe and Dayan. "The local food and evening dances in the town square were a real treat. Sightseeing trips to the Yulong mountains and the Tiger Leaping Gorge were sights to behold. At the end of 8 days, many new friendships were made and memorable experiences were captured for life' – Richard Cheong

U3A SACE Outreach Program

NSA Roadshow at Harbourfront Library

For this roadshow we were the only agent invited by the NSA to set up a booth at the entrance of the library.

Although this is on a small

scale, we managed to attract sizable sign-up for members.

Third Ager Symposium 2019

This is a joint project organised by both U3A and SACE to be held on 30 April 8.30am to 4pm to be held at Life Long Learning Institute. Subject for discussion: **Bridging the Disconnect – overcoming**

Seniors' Loneliness. There will be 2 speakers plus a skit on this subject.

SACE Annual General Meeting

For the convenience of our members, our AGM will be held at the same place at 4pm right after the Symposium. Notice of the AGM with the agenda has been circulated to all our members 14 days before the date of AGM.

We look forward to your active participation of this yearly event.

Film & Discussion
The Pianist

The Pianist is a 2002 film produced and directed by Roman Polanski, and starring Adrien Brody for which he won the academy award

for best actor. It is based on the autobiographical book The Pianist, a Holocaust memoir by the Polish-Jewish pianist and composer Wladyslaw Szpilman, who survived the Holocaust in Warsaw during WWII. He is forced into the Warsaw Ghetto, but is later separated from his family during Operation Reinhard. After his release from the concentration camp prisoners, he hides in various locations among the ruins of Warsaw.

Dairy Farm Nature Park

Set in a rustic environment with multiple trails for hiking and biking, the 63-hectare Dairy Farm Nature Park offers a host of recreational activities and amenities such as a nature trail and former quarry. But the park's main attraction is the Wallace Education Centre, Singapore's first field study hub for schools. At the south-western end of the park lies the Singapore Quarry, which has been transformed into a wetland habitat with a viewing platform for visitors to appreciate Singapore's freshwater flora and fauna. Nature lovers can look forward to seeing native inhabitants of the park including numerous species of dragonflies, many of which are rare – also a favourite haunt for avid photographers.
