Festive Season celebration at NTUC Health Nursing Home (Chai Chee)

Harmonica Alumni and Ukulele Alumni, all former learners of harmonica and ukulele at SACE, came together to share the joy of this festive season on 28 Dec at NTUC Home @Chai Chee by performing some musical pieces familiar to the residents. They cheered us on as we performed and mingled with them.

“I could feel the love and care you shared with us. We enjoyed very much your performances, please do come back again.”, as was told by one of the residents.
